

OBSERVATION OF WORLD ENVIRONMENT DAY 2023

05.06.2023

On 5th June 2023, Pachhunga University College NSS unit in collaboration with Ecoclub PUC observed World Environment Day by planting new saplings in the college campus. Cleanliness drive was also carried out by collecting non-biodegradable wastes. Thirty-five volunteers including research scholars and faculties of Department of Environmental Science, Life Science, Botany and Biotechnology department participated in the program.
