**Report On  
5<sup>th</sup> Semester PARENTS TEACHERS MEET**

The Department of Biotechnology organized a Parent-Teachers meet on 23<sup>rd</sup> October, 2023, in Biotechnology Departmental Room at 1:30 p.m. Total 10 parents/Guardian joined the meeting. The main purpose of the meet was to create a common platform, where parents and teacher comes together to enrich the student's educational experiences and discuss various issues, regarding the all-round development of students.

The meeting was organized under the guidance of the Head of Department, Dr. Liansangmawii Chhakchhuak, who delivered a welcome speech and introductory speech about the college and department. All faculty members were introduced to the parents present during the program.

Dr. Zothanpuia gave a brief explanation of the CBCS system and ERP system which included the curriculum and credit framework, university exam passing eligibility criteria and the importance of attendance. He also demonstrated how to access the college website as well as how to access the ERP system. This was followed by a report of student's performance given by Dr. Ruth Lalfelpuii, wherein she presented detailed information about student's performance semester-wise, list of student's in order of merit and subject wise Continuous Assessment Test marks of present semester. All reports and speech were given via powerpoint presentation.

This was followed by an active discussion session between parents and teachers. Parents gave very positive feedbacks on the programme and expressed their satisfaction and gratitude towards the quality of education in the college and the department. They highly appreciated the counseling and mentoring system practiced in the department. Most parents clarified their doubts and discussed openly the issues they faced at home regarding their children's behavior towards their studies and how they can improve in the upcoming final exam. A vote of thanks was offered by Head to all the respected parents/Guardians of the students whose presence and participation made the meet a successful one and the meeting was concluded with refreshment. It was a great opportunity for parents to get involved in their children's education not only to share academic progress but also in identifying responsibilities and establish goals for student's academic career, thus, making it altogether a successful experience for both parents and teachers.
