Report On

SEMINAR ON IPR AND INDUSTRIAL TOUR

In collaboration between

**Mizoram Science Technology & Innovation Council (MISTIC)
&
Department of Biochemistry, Govt. Zirtiri Residential Science College
&
Department of Biotechnology, Pachhunga University College**

Date : 19th October 2023
Number of students Participated : 41
Venue : Innovation Facility Center (MINECO)

A seminar on IPR And Industrial Tour was organized by MISTIC in collaboration with Department of Biochemistry, Govt. Zirtiri Residential Science College and Department of Biotechnology, Pachhunga University College. Dr. Lalchhandami Tochwawng. Scientific Officer and Mr Samuel Lalmalsawma, Principal Scientific Officer, Mizoram Science, Technology & Innovation Council warmly welcomed the teacher incharges from Pachhunga University College, Dr. Punuri Jayasekhar Babu and Dr. C. Lalmuansangi and graciously introduced them to all the scientists and members of Innovation Facility Center (MINECO).

The aim of the tour is to bring the awareness on IPR and Innovations among the 5th semester students of both the colleges. G.C Lalremruata delivered a lecture on the different kinds of IPR and explained the process on how to file a patent. Dr. Davy Lalruatlina educated the students with his lecture on biopiracy with reference to global and Mizoram context. The students were given an industrial tour of the Innovation Facility Center and mushroom cultivation center. Lastly, Dr. Punuri Jayasekhar Babu, Dept. of Biotechnology, PUC offered thanking note to the organizer of MISTIC on behalf of the Principal, PUC and Head, Dept. of Biotechnology, PUC. Overall, the program achieved the goals and objectives for which it is organized.
