PACHHUNGA UNIVERSITY COLLEGE

A report on student(s) participation in 7th International Conference on Nanoscience and Nanotechnology (ICONN 2023)

ICONN is a biennial International Conference organized by the Department of Physics and Nanotechnology, SRM Institute of Science and Technology, that attracts researchers across the world, working in the areas of Nanoscience and Nanotechnology. Three students from 2 Semester viz., Faiz Imam, Ankit Roy and Aditya Kumar participated and interacted with the renowned scientists in the event ‘Seeding Nanoscience in Young Minds – Live interaction with Scientists’ hosted by SRM-ICONN 2023 and co-hosted by Indian Science Congress Association (ISCA) – Chennai Chapter on 28 March 2023. Dr. Punuri Jayasekhar Babu, who specialises in Nanoscience, was the faculty in charge to guide the students and prepare them for the said program. It is an exciting movement to share that out of three from our college, two students named Faiz Imam and Ankit Roy got **Best Student Award** for their excellent oration on Nanoscience and Nanotechnology.

Aditya Kumar
2 Semester, Department of Biotechnology
Pachhunga University College

Faiz Imam
2 Semester, Department of Biotechnology
Pachhunga University College

Ankit Roy
2 Semester, Department of Biotechnology
Pachhunga University College

The students had the opportunity to engage with prominent scientists in the field of nanoscience and gain some valuable insights into this area of study. It enabled them to increase their knowledge in nanoscience and its futuristic applications in medical field.

Dr. Punuri Jayasekhar Babu
(Faculty-In charge)

Dr. Liansangmawii Chhakchhuak
Head, Department of Biotechnology
