

**Department of Biotechnology  
Pachhunga University College**

**Report on  
Departmental Level Intellectual Property Rights training**

**Date:** 20<sup>th</sup> October 2023

**Resource Person:** Dr. Prashant Kumar Singh, Assistant Professor, Dept. of Biotechnology, Pachhunga University College

**Topic:** Intellectual Property Rights and case studies

**Semester:** B.Sc. (Biotechnology) 3<sup>rd</sup> Semester

**Number of students Participated:** 24

Dr. Prashant Kumar Singh delivered a PowerPoint presentation on Intellectual Property Rights and case studies based on the presentation offered by the Mr. C. Lalthazuala, Mizoram Science Technology & Innovation Council (MISTIC), Mizoram, with modification by adding recent stories related to biotechnology. The presentation was very interactive with a few questions from the students, which were relevant to the Mizoram indigenous knowledge and culture. Dr. Singh responded to the queries raised by students. It was an interesting program which was greatly valued by the students and teachers. Such programs will serve as a gateway for understanding Intellectual Property Rights and developing the idea and patenting process, especially among young youth.
