

## Meet the Scientist Program

**Date: August 21, 2024**

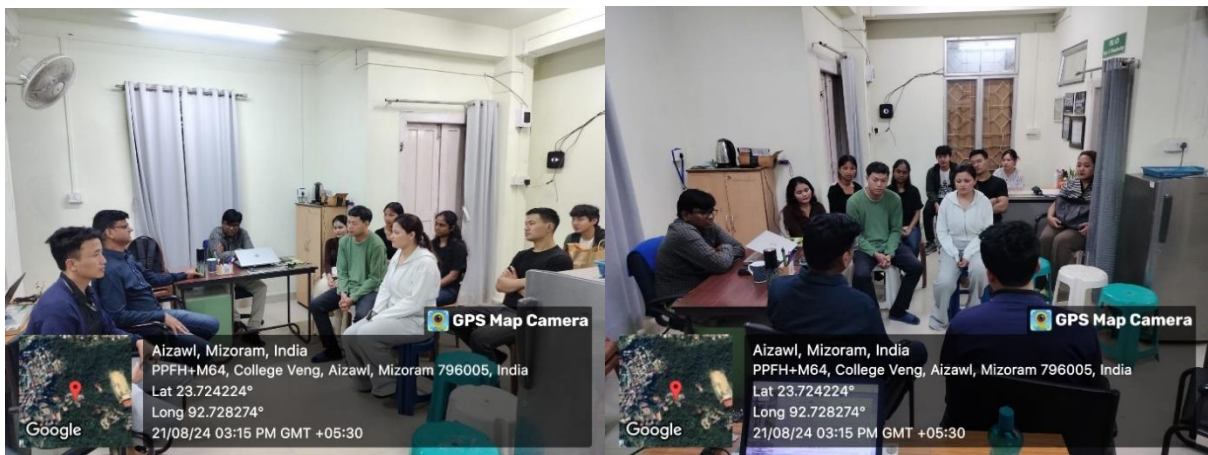

**Venue: Department of Biotechnology, Pachhunga University College, Aizawl, Mizoram, India**  
**Speaker: Prof. Bhim Pratap Singh, NIFTEM, Inda.**

Department of Biotechnology PUC organized "Meet the Scientist Program" on 21st August 2024 (Wednesday), at the department. The meeting was chaired by Dr. Zothanpuia, HOD, Prof. Bhim Pratap Singh, Professor and HOD (Department of Agriculture and Environmental Sciences) at the National Institute of Food Technology Entrepreneurship and Management (NIFTEM) delivered an insightful and engaging lecture on Research Questions, publication ethics, and its impact on individuals' professional lives. All research scholars from the biotechnology department attended the lecture.

Prof. Bhim Pratap Singh also explains the role and importance of career counselling in helping individuals make informed career choices. He emphasized the importance of understanding one's research strengths, interests, and values.

The lecture was not just well-received, but it also had a profound impact on the attendees, equipping them with valuable insights into the importance of career counselling. Prof. Bhim Pratap Singh's approachable manner made the session both informative and inspiring, leaving participants with a clearer understanding of how to navigate their career paths effectively.

All the faculty of the Dept. of Biotechnology graced the occasion, and Dr Punuri Jayasekhar Babu closed the session by concluding remarks.
