Notice

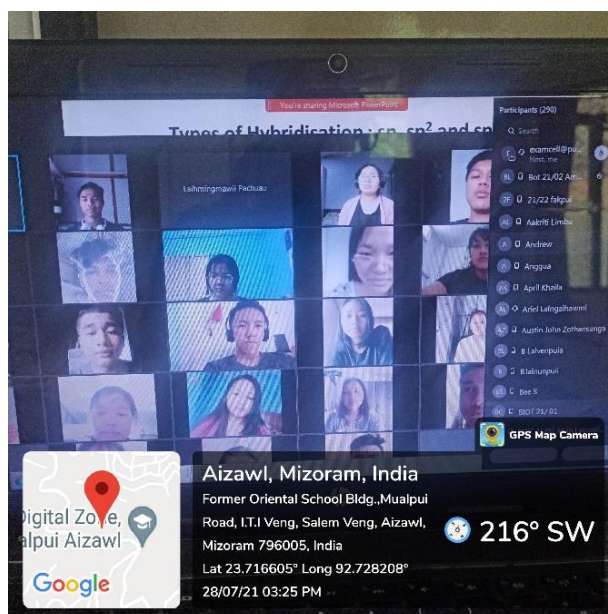

Remedial Coaching Class

The Department of Chemistry is going to organize Remedial Coaching Class for the newly admitted First Semester BSc students of 2021 during 27 – 29th July, 2021 in the Chemistry subject.

The main objective of RCC is to make the students for better understanding of the basic concepts of chemistry subject.

The contents, Teachers and detail routine of the program is mentioned below:

Sl. No.	Topics	Teachers	Date and Time
1.	Concept of Valency , Writing Chemical Formula, Acids and Bases, Normality, Molarity concept, Periodic properties.	Dr. Thanhmingliana	28 th July (Wed), 2021 2:30 – 3:30 pm
2.	Atomic structure : Structure of atoms, Quantum numbers, Electronic configurations, Hybridisation, VSEPR theory	Dr. C. Lalhriatpuia	27 th July (Tue), 2021 2:30 – 3:30 pm
3.	Nomenclature of organic compounds : Functional groups, Writing Chemical formula of organic compounds. General organic reactions : Addition, substitutions (directing groups).	Dr. K. Vanlaldinpuia	29 th July (Thu), 2021 2:30 – 3:30 pm

Thanhmingliana

(Dr. THANHMINGLIANA)

Head
