

STUDY TOUR
Department of Economics,
Pachhunga University College

Dated: 16th – 18th April, 2024

Destination – Zokhawthar, Mizoram

Subject topic- **Border trade and its impact on its local.**

The department of Economics 6th semester students under the guidance of Sir C Malsawmtluanga set out to Zokhawthar village which is a border village of India and Myanmar on 16th April 2024.

The focus for this tour is on the subject matter relating to Border trade and its impact on the locals on the recent government intervention on the introduction of border fencing which have been a lifelong tradition for the people residing on the border to freely mobilized in relation to trade, cultural and social interaction among its people (both India and Myanmar).

The 6th semester students on this tour consist of 50 students grouping into 10. Each group had an interactive session with the locals covering to around 50-60 household. Each group had a wonderful and suggestive discussion with the locals especially in relation to the recent development happening on the border.

Aside to this tour, the students had a good time side seeing the local beauty and had the time to see Rih Dil and Buannel on the Myanmar side which is also a part of this tour.

The department of Economics, Pachhunga University College would like to thank our respected Principal Prof. H. Lalthanzara for the success of this Study Tour.
