

“Gift an e-Book” event organised by Department of English on the occasion of International Library Day 2022 (14th February 2022)

On the occasion of “International Library Day 2022”, the Department of English organised the event “Gift an e-book” between 10:00 a.m to 5:00 p.m on 14th February 2022 (Monday). For this event, faculty, students and alumni were asked to post PDFs of their favourite books in their respective Whatsapp groups, with a short description of why the book is a favourite of theirs. This event received enthusiastic participation from students and alumni, with 71 beloved novels, novellas and short stories being shared.

“Gift an e-book” was organised throughout the day so that the students would not be distracted from attending their classes. All the participants shared a few lines on their choice of books and wrote the reasons why they would like to share a particular book with the participants. Even though it is still not possible to attend classes in the college, the event gave an opportunity to the participants to interact and share their passion for reading on an online platform.
