

REPORT ON VI SEMESTER Students counseling

Name of Department : MATHEMATICS

Date & Time of start : March 08. 2021 (Thursday) 2:00PM

The VI Semester students are divided into five (5) groups and each teacher handle their corresponding group. They were asked about their family as well as academic/school background, their previous years' performance, their study environment at home and other relevant issues for their better performance in ongoing VI semester. They were given advised for their carrier options depending on their performance, interest in Mathematics subject and family condition.

Some students do not have a good financial condition for further studies, they were helped and directed in such away that they could get scholarship/fellowship which would be obtained for pursuing higher studies like INSPIRE scholarship, NFST etc. While the students are given counseling, some photos are taken for the record.

Number of students present : 31

Time of ending : 4:00PM

(Dr. J. LALVOHBIKA)

Incharge, IQAC

Department of Mathematic
