

## DEPARTMENT OF PSYCHOLOGY

### Field-work:

The students of the 6<sup>th</sup> Semester were sent to three Non-governmental Organizations for field work. for the session January 2018 – April 2018. Their tasks include observation of the children clients/ inmates, learning how to identify and diagnose specific disorders, learning how to work with mentally-challenged children, adolescents with drug problems, and HIV patients. They also learn to take case-study as well as administrative work in an NGO. List of these NGO's are as follows:

- 1) Rephidim Home, Laipuitlang,
- 2) Mission for Social Reform, Tuikhuahtlang
- 3) LifCode, Zemabawk

The field work took place during January- March,2018 where students visited the field every Tuesday and Friday. They were accompanied and assisted by the staffs/ workers of the respective organizations.
