

# **REPORT ON SIR LUNG MUANA'S FAREWELL**

I am deeply honoured to be given an opportunity to write a report on our beloved hod Sir Lungmuana's farewell. Though the time we spent was minimal, we acquired wisdom and compassion from his classes. He is a man of dignity and unbending principal.

On the 24<sup>th</sup> of February, at CIRA garden, Our class was specially invited to attend his farewell which was conducted for his friends and family. It was indeed a golden opportunity for us to tell him and show him that he will be leaving a footprint in our life.

He has spent 40 glorious years of his life in this institution and we are truly thankful for his dedication and hardwork.
