

REPORT ON ROADSHOW FOR BIO-INNOVATION CHALLENGE 2022
ORGANIZED BY ENTREPRENEURSHIP KNOWLEDGE CELL, PUC & MZU
BIONEST

17 March, 2022

Programme

Chair: Dr. Rohmingmawii, Secretary, Entrepreneurship Knowledge Cell, PUC

Introduction of BioNEST: Dr. H Lalhruaitluanga, Director, MZU BioNEST

Bio-Innovation Challenge 2022: Mr. C. Lalruatsanga, CEO, MZU BioNEST

In the Roadshow for Bio-Innovation Challenge, 2022, sixth semester students from three departments, namely, Economics, Management, Biotechnology, and members of Entrepreneurship Knowledge Club, PUC participated.

Dr. Rohmingmawii delivered a welcome address and introduce the Resource persons from MZU. Dr. H. Lalhruaitluanga gave a detail introduction of MZU BioNEST, its facilities, scope and functions. Mr. C. Lalruatsanga introduced the BioNEST Innovation Challenge, 2022 and talked about the opportunities, criteria, and focus areas of the event. It was followed by question and answers. The students raised relevant questions not only on the Bio-Innovation challenge but also on issues relating to entrepreneurship and innovation and the opportunities in Innovation Centers.

The program ended with a photo session and a refreshment. It was a fruitful program.
