At the Boys Hostel, the program starts at 8:15 P.M. with an introduction and welcome speech from the Boys Warden followed by presentation from the resource person. Questions and discussion followed the program. Senior member of the Committee, Dr.H.Lalruatsanga commented delightfully on the presentation and discussion at both the Hostels. The program was successful and beneficial for all the members and boarders present.

It has been observed that there have been some issues from the senior most boarders on to how they treat their juniors; they called it '*Tradition or Discipline*' especially in the Girls Hostel which can be interpreted as Ragging. This matter may be discussed in the Meeting.

The programme ends at 9:30 P.M.
