Based on the student's assessment of their teachers, the principal has taken appropriate steps as given below:

- 1) The Principal meets each teacher personally and informs them of their weaknesses and strengths.
- 2) Teachers were encouraged to place greater emphasis on concept clearance and not rely on ready-made notes and materials.
- 3) Departments have been encouraged to conduct field studies and survey at ground level.
- 4) Departments are encouraged to organize popular lectures and motivational speeches to stimulate the minds of students.
- 5) The Principal emphasises the importance of providing care for weak students.
