Annual Teachers' Assessment Report

Pachhunga University College conducted its Annual Teachers' Assessment Programme on 11th March 2021 for the year 2020; the programme was not implemented last year due to the covid-19 pandemic. For this year's assessment all the VIth Semester students from every department were given the responsibility of assessing their teachers. A total of 649 students from 22 departments assessed 118 teachers including a few Guest Teachers. The questionnaire was prepared using Google Forms and then circulated among the students via whatsapp. IQAC took charge of the entire operation first by calling a meeting of all Departmental IQAC in-charge to give a standard briefing of the programme. Then the actual assessment program was conducted on the date specified by the meeting at 2:00 PM. This assessment is a part of the Internal Quality Checking Mechanism and any actions taken as a result of this assessment is purely at the discretion of the Principal of the college.
