### Binary Accreditation Briefing - 2024

The principal Prof. H. Lalthanzara and IQAC Coordinator Dr. H.C. Lalchhuanawma attended Binary Accreditation Consultative Workshop - North-Eastern Region which was held at Gauhati University, Assam on Dt. 23.07.2024 (Tuesday). The programme was organised by National Assessment and Accreditation Council (NAAC). NAAC is gearing towards Reforms - 2024 in the assessment and accreditation process. There are certain loopholes in the ongoing accreditation process. The present revisions aim to simplify and improve the accreditation procedure, therefore rectifying its complex nature. Institutions will be evaluated and accredited using the data supplied; there won't be any more in-person visits by NAAC Peer Teams. It is anticipated that NAAC Reforms would begin very soon.

Following the consultation workshop, the IQAC Coordinator Dr. H.C Lalchhuanawma enlightened the IQAC Board members in its meeting on 3<sup>rd</sup> October, 2024. The briefing was made on the salient points and metrices of the new NAAC Binary Accreditation. The Board entrusted the Coordinators to stress the importance of documentation for the Annual Quality Assurance Report (AQAR) to all Departments, Committees and Cells; they were also asked to enquire into the level of data verification required by the NAAC.
