IQAC PLANS 2015-16

- 1) Create Question databank: Creation of a Question is necessary for the stakeholders to gain easy access to previous questions and also for teachers and the college. Question eliminates problems faced during question moderation.
- 2) Organize remedial coaching for fall back students: Remedial classes should be organized by every department to give special care to fall back students. Remedial classes should be conducted after normal routine. It should not disturb the college regular class routine.
- 3) Organize programme for performing students: Separate programs to enhance the learning abilities of students who perform well in studies should be organized to further challenge the, academically such as quiz, projects etc.
- 4) Organize inter-departmental programme: Inter-departmental programmes such as Quiz, Debate, research activities, seminars etc should be organized by all departments.
- 5) Organize exposure programme: Exposure programmes related to syllabus may be conducted by the departments. Funds may be generated departmentally. Such programmes may be organized within the State.
- 6) Conducts students training and research project: Training and research projects may be assigned and conducted by departments to help students gain more knowledge in terms of their subject.
- 7) Conducts disasters management training and education: Disaster management training and education may be organized. This will be taken up by NSS or NCC.
- 8) Organizing more invited lectures at departmental level: Invited Lectures should be increased at the departmental level to provide more exposure to students. Experts in different fields and subjects and well-known persons may be approached and engaged for the said programme.
- 9) Strengthening career guidance and placement cell: Career Guidance and Placement cell needs to be strengthened to conduct more career guidance programmes and also initiate placement within the campus.
