IQAC PLAN FOR 2019 -2020

1	Strengthening of IT management and IT Staff	As per the recommendation of the IQAC, the college hired a new staff to strengthen IT management within the college. An interview was conducted during the month of September and Mr. Vanlalrinchhana was selected.
2	Conducting Workshop on MOOCS	Due to the pandemic IQAC was unable to conduct this workshop.
3	Introduction of ERP Solution	On the recommendation of the IQAC, the college launched its first ERP Solution on 09/07/2020. This ERP Solution will enable students and parents to easily gain access to their internal marks, attendance etc.
4	Develop Code of Conduct for Teaching and Non-Teaching Staff	As the Teachers and Non-Teaching Staff of the college are already bound by the CCS Rules for Central Government, UGC and MZU Guidelines a separate Code of Conduct was not prepared. However, the IQAC Board decided to conduct and Awareness/Orientation program for both Teaching and Non-Teaching Staff inviting resource persons from ATI, GoM. This plan could not be taken up due to the pandemic.
5	Restructure Alumni Association	IQAC finds the Alumni Association to be quite inactive and as such suggested that the Association be restructured. On the recommendation of the IQAC, the PUC Alumni Association was restructured on the 15th November 2019.
6	Campus Interview/Student's Placement	Placement Cell was notified of the plan and also to send out invitations to various organizations and companies to conduct Campus Interview within PUC. However, the current pandemic has hampered all action plans made against the initiative.
7	Proposal of New Course - BSc in Computer Science	The college decided that the current course run by the Mathematics Department Certificate Course in Computer Application be realized in lieu of a new course in Computer Science.
