IQAC ATR 2022 -2023

1	Preparation of AQAR (2021-2022)	AQAR (2021-22) was prepared and successfully uploaded to the NAAC portal. The copy is also being displayed on the college website.
2	Remedial classes/counselling for slow learners	Departments identified weak and slow learners. They offer remedial classes or coaching and counselling to underperforming students.
3	Conduct training and research projects for students, including departmental research projects and student training/awareness initiatives.	Arts and Science departments such as Statistics, Zoology, Botany, Geology, Psychology, Geography, Public Administration, and History have organized projects and field study for V/VI Semester students.
4	Building a stronger career guidance and placement cell- Establishing a suitable venue for student placements.	Career Guidance and Placement Cell was strengthened and numbers of students have been placed on different occasions. IQAC Coordinator and the Principal have taken great care of the cell.
5	Plan an interdepartmental event- Events like quizzes, discussions, and joint programmes may be held.	Inter-departmental debate was conducted on 24 th - 25 th April 2023. More programmes of this kind and joint department programs will be organized.
6	Plan an exposure programme for the students that include visits to industrial/office facilities and significant locations related to their studies.	Psychology, Statistics, Zoology, Botany, Management, Geography and Mizo departments have conducted exposure programmes within and outside Mizoram during the year for the benefit of the students.
7	Organizing more invited departmental lectures/seminars/conferences.	Departments such as Economics, English, Education, Sociology, Psychology, Political Science, Philosophy, Public Administration, Mizo, Mathematics, Management, Botany, Environmental Science, Biotechnology, Zoology, Statistics, Chemistry, Geology, Physics, Geography and Commerce have conducted and organized lectures, seminars and conferences.
