

Students' Feedback

A questionnaire containing 20 questions covering various issues or topics under Course Content, Teaching and Evaluation was answered by the students. A consolidated analysis of the result is given in the table below.

Category	% of satisfied students
Course Contents	86.3%
Teaching	95.2%
Evaluation	92.55%
Overall %	91.35%

Attainment Level	Weightage	% of satisfied students	Raw Score	Score (%)
Level 1	1	> 50%		
Level 2	2	50 – 60 %		
Level 3	3	< 60%	3 (91.35%)	100%

Students' feedback is measured on a three point scale where the satisfaction of students with course content, teaching and evaluation is evaluated. Since 91.35% of the students were satisfied with the Course Content, Teaching and Evaluation, the attainment level falls under Level 3 with a score of 3. The raw score of 3 points is converted into percentage, which is 100%. Thus, the college scores 100% in students' satisfaction feedback.
