# **MEMORANDUM OF UNDERSTANDING**

**Between**

**Mizoram Science, Technology & Innovation Council**

**and**

**Pachhunga University College**

This Memorandum of Understanding (MoU) sets for the terms and understanding between the Mizoram Science, Technology & Innovation Council, an autonomous government body having its office at the Directorate of Science & Technology Building, Mizoram New Capital Complex, Khatla, Aizawl, Mizoram – 796001 herein after referred to as MISTIC and Pachhunga University College, College Veng, Aizawl, Mizoram – 796001, herein after referred to as PUC to work together for the project “Technology led organic cultivation of mushroom for enhancing livelihood of tribal women in Saitual, Mizoram” at Saitual, Aizawl District, Mizoram.

## **Background**

This memorandum of understanding (MoU) is entered into by the Parties in recognition of the potential opportunities for the upliftment of women residing in the rural areas of Saitual through closer cooperation between the Parties. MISTIC through funds received from Department of Science & Technology (DST), Government of India (GoI), New Delhi have interest to run a project namely “Technology led organic cultivation of mushroom for enhancing livelihood of tribal women in Saitual, Mizoram” and establish a Mushroom Cultivation and Seed Production Plant at Saitual Town mainly to educate and provide training to women at Saitual area that will potentially generate income for the women. MISTIC, as a nodal agency for Science & Technology for the state together with training resources at PUC will use scientific and technological intervention to give training on mushroom seed production and mushroom cultivation.

## **Purpose**

This MOU will aim to achieve the following objectives:

- i. To provide proper training to impart skills sufficient for better livelihood to rural women.
- ii. To provide scientific and technological inputs for spawn production of and production of healthy edible mushrooms.
- iii. Formation of Women Self Help Groups for better network.
- iv. To uplift the status of economically weaker sections of rural people.

The above goals will be accomplished by undertaking the following activities:

**Role of MISTIC:**

- To provide land through Village Council, Saitual-I (VCS) and construction of RCC building for mushroom seed production and cropping
- To provide financial support for two years
- To maintain the Mushroom seed production and cropping building for two years, in association with VCS, and
- To form a women self-help group within Saitual through VCS who will be the beneficiary of the project

**Role of PUC:**

- To provide training both theory and hands-on following the National Skill Qualification Framework
- To provide training resources such as training halls, access to mushroom laboratories and lecture materials.

**Funding**

MISTIC will provide funds for execution of the project, “Technology led organic cultivation of mushroom for enhancing livelihood of tribal women in Saitual, Mizoram” at Saitual, Aizawl District, Mizoram through funds received from DST, GoI.

**Duration**

The duration of the MoU will remain in force for the duration of the project and until all claims are settled between MISTIC and PUC, Aizawl, Mizoram.
