

Pachhunga University College, Mizoram University
PROJECT MONITORING WORKSHOP (PMW-2018)
Organized by Project Committee

BRIEF REPORT

As annual routine activity, the Project Committee meeting held on 18th May 2018 at the Principal's meeting room resolved to organised Project Monitoring Workshop for the year 2018-2019 to monitor the ongoing and newly awarded research projects to faculty of the institution. The meeting scheduled the event for 2nd November 2019 (Friday).

The programme was conducted on November 2nd, 2018 at the lecture hall II of Zoology department. The workshop was attended by nearly all Principal Investigators of the projects, except three PI's who are out of station for official duty. All the PI's presented their progress report in front of the external expert Prof. H. Lalramnghinglova, Head, Department of Environmental Science, Mizoram University, the Principal and other PI's and project staffs.

In the opening remark, Dr Tawnenga, Chairman and Principal of Pachhunga University College welcome the external expert, the PI's and the project staffs. He mentioned that this kind of project monitoring programme has been initiated since 2013 and a regular annual monitoring programme was conducted since 2015. He also added that for quality improvement of the research, external experts were invited to interact with the projects PI's. He requested the PI's to complete their projects within scheduled time, and to submit their final report in time. He encourages the PI's to work harder and to published their findings to high IF (WoS and SCOPUS index) journals. In addition to this, the Principal also pointed out the a detail log book of all equipment procured from the research projects has been maintained and physical verification of the equipment has been done annually.
