Agenda : Observance of World Mental Health Day.

The meeting was chaired by the Convenor, Dr. Saichampui Sails.

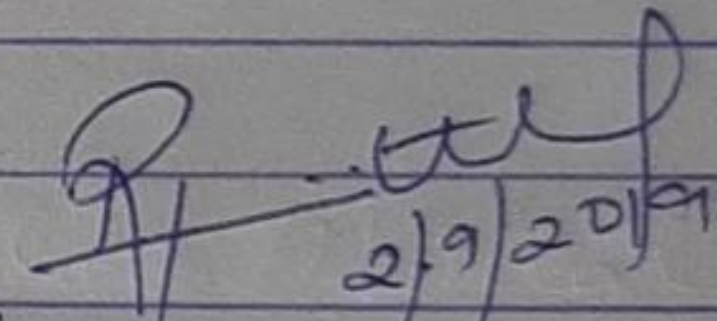

She introduced the committee about the importance of mental health and opened the agenda. It was decided that the Club observe the World Mental Health Day the entire week by calling it as the World Mental Health Week. The following programmes are selected for inclusion within the Mental Health Week.

- 1) Mental Health Check-up in the campus will be organised by the members for all the students.

and staff.

- 2) A peer educator training will also be organised for the members.
- 3) Lifeskills training will be given at the schools & college level.
- 4) The office bearers will take necessary action regarding the sponsorship of these programmes. They will also be responsible for arranging a detailed programme for the above mentioned items. The Chairman thank all the members present and end the meeting.
