Resolutions:

1. To conduct a minimum of three General Awareness Programmes for our students.

*Webinars may be conducted **in collaboration with Entrepreneurship knowledge cell** as we both have the same concern. We can take turn in management of the webinar, for e.g., if Innovation club takes the charge of one webinar, the next may be managed by EK Cell, and so on.

* Webinars may be scheduled in

- (1) 21st **January 2022**, a few days before Idea Competition;
- (2) **18th March, 2022**. A few days before Two days training program.
- (3) 10th **June 2022**, just after their semester exam.

2. To conduct Two Days Training programs at least twice within this year.

- One Program may be held during second or third week of 7-8 **December, 2021**.

- Another program may be held in the month of 4-5 **February, 2022**.

3. To conduct at least one Idea Competition for our students.

This may be held at the **1st April, 2022**, soon after the commencement of the new session. It may be **held in collaboration with EK Cell**.

4. It was decided to collaborate with Innovation cell/Incubation centre, MZU.
5. It was also decided that innovation club will try to contribute as much as possible for the improvement of ecosystem and transfer of knowledge through awareness and other activities. Details strategy will be discussing in next meeting.
6. It was decided to conduct these programs in collaboration with **Entrepreneurship knowledge cell** as we both have the same concern.

No other matter came up, and the meeting ended with a vote of thanks from the Chairman.
