

NSRAMNA- 2026

**National Symposium on Recent Advances in
Material and Nanocomposite Applications
(NSRAMNA- 2026)**

November 2-3, 2026

Seminar Hall
Pachhunga University College

Welcome to NSRAMNA 2026

NSRAMNA 2026 provides a dynamic platform for the gathering of scientists, researchers, and professionals to showcase their innovations in the various applications of functional materials. The symposium will focus on exploring the latest breakthrough in designing and processing of multifunctional materials and their applications in various field. Eminent scientists and researchers will deliver keynote address and invited talk sharing their expertise, insights, and visions as well as challenges encountered in designing hybrid nanomaterials, nanocomposites and biomaterials for drug delivery system, solar cell and sustainable solution. Overall, this National Symposium opens a common forum for scientific discourse, collaboration, and knowledge exchange to accelerate scientific progress and inspire innovation and contribute to advancements in these fields for the sustainable development.

Important Dates

Abstract Submission Deadline : September 30, 2026

Abstract Acceptance : October 5, 2026

Regular Registration : October 10, 2026

Late Registration : October 13, 2026

Submit Abstract <https://forms.gle/kg6kicZ7StxAbsf6A>

Registration

Registration is compulsory for all participants at the conference.

Steps for Registration

- Proceed for registration after receiving the abstract acceptance notification
- Scan the QR code for Registration Fee payment.
- Upload the registration fee payment proof through the Registration button to complete the registration process and submit

Registration Fee Structure

Students/Research Scholar (Presenter) : ₹ 300

Faculties/Scientist : ₹ 500

Participants (Non-presenter) : ₹100

Organisers

Department of Chemistry, Pachhunga University College

&

Department of Chemistry, Mizoram University

In Collaboration with

Association of Chemistry Teachers, Mumbai

Organizing Committee

Chief Patron
Prof. Dibaker Chandra Deka,
Vice-Chancellor, MZU

Patron
Dr. Albert Khizo
Registrar, MZU

Chairman
Prof. H. Lalthanzara
Principal, PUC

Conveners

&

Dr. Ch. Victory Devi
Department of Chemistry, PUC

Prof. C. Lalhriatpuia (Head)

Organizing Secretary
Prof. N. Mohondas Singh
Department of Chemistry, Mizoram University
