

Faculty Exchange Programme 2021
between
Department of Biotechnology PUC and Department of Biochemistry, GZRSC

Biotechnology department, PUC has signed an MoU with Department of Biochemistry, Government Zirtiri Residential Science College. Following the agreement, 2nd Teaching exchange between the two departments was organised during 13th August, 2021 to 20th August, 2021. Dr Zothanpuia and Dr Punuri Jayashekar Babu from PUC and Dr PC Lalrinfela and Ms K Zosangpuii from GZRSC presented a paper on selected topics.

Date	Semester	Topic	Teacher
13 August 2021 (Friday)	III (Biotechnology, PUC)	Biotech/III/EC/05 Unit 2: Binomial nomenclature of microbes	Dr. P.C Lalrinfela, Assistant Professor, Department of Biochemistry, GZRSC
17 August 2021 (Tuesday)	I (Biochemistry, GZRSC)	Bchem/I/EC/01 Unit 4: Cell types, cell organelles and their functions	Dr. Punuri Jayashekar Babu, Assistant Professor, Department of Biotechnology, PUC
18 August 2021 (Wednesday)	I (Biotechnology, PUC)	Biotech/I/EC/01 Unit 2: Cell membrane and membrane transport system	K. Zosangpuii, Assistant Professor, Department of Biochemistry, GZRSC
20 August 2021 (Friday)	III (Biochemistry, GZRSC)	Bchem/III/EC/05 Unit 2: Factors affecting enzyme activity	Dr. Zothanpuia, Assistant Professor, Department of Biotechnology, PUC

Schedule of the faculty exchange programme for odd semester 2021

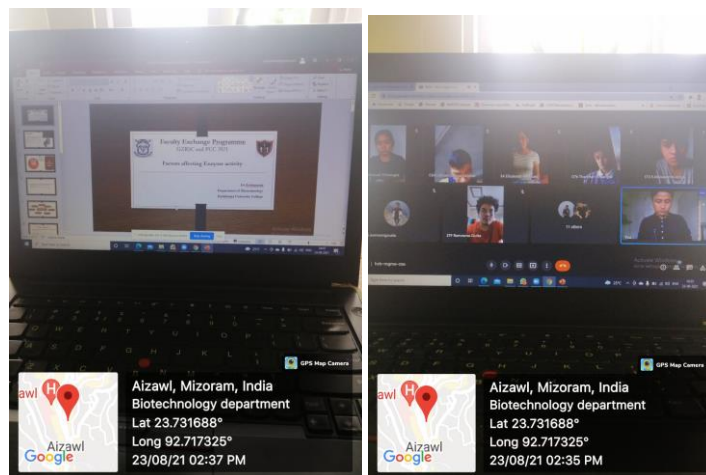

Dr PC Lalrinfela from GZRSC delivered a lecture on “Nomenclature of Microbes” on 15th August 2021

Dr Punuri Jayashekar Babu from PUC delivered a lecture on “Cell type, organelles and their functions” on 17th August 2021

Ms K Zosangpuii from GZRSC delivered a lecture on “Cell membrane and membrane transport system” on 18th August 2021

Dr Zothanpuia from PUC delivered a lecture on “Factors effecting enzyme activity” on 20th August 2021
