Objective

The main focus of this programme is to make aware our BSc. (Statistics) and MSc. (Statistics) students about various job prospects and avenues available in Statistics in different areas like Private Sector, Government Sector and Research. In a fast-changing world with a lot of opportunities, it is imperative for us to make them aware about the opportunities in Statistics available after doing their course in statistics. We are having here experts in the Statistics who have plethora of work experience in their respective field and also, they understand the requirement of the ever-changing job market.

Funding

This Programme is fully funded by Planning & Programme Implementation Department, Government of Mizoram, Aizawl, Mizoram.

Expected Outcome: Creating awareness among Statistics students about Job and other Opportunities in Statistics.
