

KEYNOTE SPEAKERS

Dr. Judith L Pachuau
Sr. Coordinator
MD Anderson Cancer Center,
USA

Dr. Aniruddha Datta Roy
Reader - F, National Institute of
Science Education and Research,
Bhubaneshwar

Prof. Zoramthara Zadeng
Director, Zoram Medical College
Aizawl, Falkawn, Mizoram

Dr. Siraj Ahmed Khan
Scientist G, Indian Council
of Medical Research, Dibrugarh,
Assam

INVITED SPEAKERS

1. **Dr. H. Lalhlemawia**,
Head, Department of Pharmacy,
Regional Institute of Paramedical
and Nursing Sciences (RIPANS)
2. **Prof. G. Gurusubramanian**,
Dean, School of Life Sciences
Mizoram University
3. **Prof. N. Senthil Kumar**
Department of Biotechnology
Mizoram University

Chief Patron: **Prof. Dibakar Chandra Deka**,
Vice Chancellor, Mizoram University
(MZU)

Patron: **Prof. H. Lalhanzara**, Principal,
Pachhunga University College (PUC)

Convener: **Prof. G. Gurusubramanian** Dean,
School of Life Sciences, Mizoram
University

Co-convener: **Dr. Vanramliana**, Associate
Professor, Department of Zoology,
PUC

Co-convener: **Prof. K Lalchhandama**,
Department of Zoology, PUC

Co-convener: **Prof. H. Lalruatsanga**,
Head, Department of Life Sciences,
PUC

Secretary: **Dr. B. Lalruatfela**, Assistant
Professor, Department of Zoology,
PUC

Assistant Secretary: **Dr. B. Lalnghahpuii**, Assistant
Professor, Department of Zoology,
PUC

Treasurer: **Prof. Lalramliana**, Department of
Zoology, PUC

Organizing Committee members:

- **Prof. Vanlalhruii Ralte**, Head,
Department of Botany, PUC
- **Dr. Kaushalendra**, Associate Professor,
Department of Zoology, PUC
- **Dr. Laldinsangi**, Assistant Professor,
Department of Life Sciences, PUC
- **Dr. Zothanpuia**, Head & Assistant
Professor, Department of Biotechnology,
PUC

IBBMS2026

INTERNATIONAL CONFERENCE ON BIOINFORMATICS, BIODIVERSITY & MEDICAL SCIENCES

Sponsored by: Mizoram University,
DBT Biotech Hub & DBT BUILDER, Pachhunga University College

25th - 27th February, 2026

Seminar Hall
Pachhunga University College

Organized by
Department of Zoology, Pachhunga University College
A constituent College of Mizoram University

ABOUT THE COLLEGE

Pachhunga University College (PUC) is a public institution in Aizawl, Mizoram and the only constituent college of Mizoram University, a Central University established by an Act of Parliament of India. Founded in 1958 as Aijal College, it is the oldest and largest college in Mizoram, by enrolment and campus size. The college offers post-graduate courses in 5 subject areas and undergraduate courses in 23 subject areas of Arts, Science and Management.

The college is NAAC A+ accredited for 2 consecutive cycles and funded by DBT under Star College Scheme. Also, it is one of the few colleges in India, which has been granted "College with Potential for Excellence" by the UGC. The National Institutional Ranking Framework placed the Institution at 35th among colleges in India in 2024, the highest rank from north east India.

ABOUT THE DEPARTMENT

The Department of Zoology at Pachhunga University College was established in 1973. At present, the Department comprises 3 Professors, 2 Associate Professors, and 2 Assistant Professors. The Department has published over 180 research papers in peer-reviewed journals. More than 20 research scholars are currently pursuing their doctoral studies, and five postdoctoral fellows are engaged in research under DBT, DST-WoS-A, and ANRF funding schemes. The Department is supported by the Department of Science and Technology (DST) and the DBT STAR College Scheme.

ABOUT THE CONFERENCE

Biodiversity underpins ecosystem stability and sustainability and constitutes an indispensable source of genetic, molecular, and biochemical diversity with immense potential for medicinal applications. In recent years, advances in bioinformatics have revolutionized the study of biodiversity by enabling high-throughput analysis of genomic, transcriptomic, proteomic, and metabolomic data. These integrative approaches have significantly enhanced our ability to identify novel bioactive compounds, understand disease mechanisms, and develop targeted therapeutic strategies.

This international conference aims to provide a comprehensive interdisciplinary platform for scientists, academicians and healthcare professionals to exchange knowledge and share recent research findings at the interface of biodiversity, bioinformatics, and medicinal science. The conference will focus on emerging trends in biodiversity assessment, molecular taxonomy, conservation genomics, drug discovery from natural products, systems biology, and computational approaches for precision medicine. By fostering collaboration across disciplines and regions, the conference seeks to address global challenges related to human health, emerging diseases, biodiversity loss, and environmental change, while promoting innovative and sustainable scientific solutions.

CALL FOR PAPER

The manuscript/abstract which include title of the presentation, authors detail and email may be sent to: ibbms@pucollege.edu.in

Important Dates

Last date of Registration for Presenter: **20th February, 2026**

Scan code for registration
OR

Visit the link provided below for registration

<https://forms.gle/MzTpMDeAAzpAqpGHA>

For regular faculties: 300/- INR

For Research Scholars & others: 200/- INR

Address for correspondence:
