

PACHHUNGA UNIVERSITY COLLEGE

A Constituent College of Mizoram University

POSTGRADUATE PROSPECTUS

2026

MOTTO-VISION-MISSION

MOTTO

Learning and service

VISION

- To achieve excellence in teaching, learning, research, and leadership in education and community services.
- To be the preeminent centre of scholarship in higher education at the post-graduate, doctoral and post-doctoral levels.
- To establish a reputable research center for investigating local, national and international issues.
- To improve the infrastructural facilities to attain national standard.

MISSION AND OBJECTIVES

- The college motto “Learning and Service” is the guiding beacon of our endeavor in striving for academic excellence in higher education and humanitarian services.
- To impart quality knowledge through effective teaching and to produce competent graduates in arts, science and commerce.
- To enhance the commitment of the faculty by strengthening the facilities, thereby promoting a distinguished academic environment.
- To work for the improvement of the society through social services and other extension programmes.

THE COLLEGE IN A NUTSHELL

- » Founded on 15 August 1958 as Aijal College, PUC is the oldest and the largest college in Mizoram.
- » Without premises, classes started at Aijal Theatre Hall (antecedent of Vana Pa Hall) and at an abandoned warehouse at Children's Park, adjacent Raj Bhavan.
- » It was renamed Pachhunga Memorial College (PMC) in 1962, upon the demise of Pachhunga, the major benefactor since its inception.
- » The Assam Government declared provincialisation (official recognition) on 1 July 1965, and the name was changed to Pachhunga Memorial Government College (PMGC).
- » In 1965, the college was moved to its permanent campus at Venghlui (now College Veng, named after the college).
- » Permanent teachers were recruited in 1967 under the Assam Public Service Commission.
- » The University Grants Commission granted full recognition in 1969.
- » In 1979, the North Eastern Hill University adopted it as its constituent college, rendering its final name Pachhunga University College.
- » The management of the college was transferred to Mizoram University as the university was established in July 2001.
- » It received the Indira Priyadarshini Vrikshamitra Awards in 1995, a national award for pioneering and innovative works in afforestation and wasteland management, from the Ministry of Environment, Forest and Climate Change, Government of India. The 138-acre campus is the only verdant forest reserve with Aizawl and is aptly dubbed the "lung of the city."
- » It received the "Best College" award from the Zoram Research Foundation, consecutively in 2004 and 2006.
- » Since 1998, it holds a record of most blood donation from educational institution in Mizoram.
- » It received the Indira Gandhi NSS Awards in 2016.
- » During 2009–2013, the Department of Science and Technology, Government of India, awarded the college with Fund for Improvement of Science and Technology Infrastructure (FIST).
- » In 2011, the Department of Biotechnology, Government of India, set up Institutional Biotech Hub, which was upgraded to Advanced Institutional Biotech Hub in 2017.
- » In 2011 and 2019, DBT awarded its Star College scheme.
- » In 2017, the UGC awarded its College with Potential for Excellence.
- » In 2019, National Assessment and Accreditation Council (NAAC) recognised the college as a "Mentor Institution" to foster other institutes for accreditation processes.
- » NAAC evaluation at B grade (with a cumulative grade point average of 2.78) in 2011, A+ (CGPA of 3.51) in 2016 and of A+ (CGPA 3.47) in 2022 remains the highest among colleges in Northeast India.
- » The National Institutional Ranking Framework ranked it at 45th in 2022, 34th in 2023 and 35th in 2024, remaining the highest ranked college in Northeast India.
- » In 2022, India Today declared the college as the best in Northeast India for science and arts education.

PROFILE OF THE POST-GRADUATE SECTION

- » In 2011, Pachhunga University College Teachers' Association (PUCTA) submitted a "Memorandum for PhD Supervision and Establishment of PG Courses" to the Vice Chancellor of Mizoram.
- » A proposal for PG courses in philosophy, sociology and statistics, based on "subjects having no PG courses [in Mizoram University] but only UG at the college," incorporated in the XIIth Plan (2012–2017) was submitted to the university in 2011.
- » After an enduring hiatus of indecisiveness, there was a separate public pressure in November 2015 led by the Aizawl City Colleges Students' Union upon MZU to open more PG courses
- » In November 2015, requested the university to open more PG courses to cope up with increasing number of graduate students.
- » In pursuance, the 30th Academic Council of MZU on 26 April 2016 resolved [AC:30:4(6)] to prepare PUC for PG courses.
- » Proposal for the XIIIth Plan (2017–2021) was submitted in November 2016 in which creation of eight postgraduate subjects was included.
- » At the 32nd Academic Council on 4 August 2017, approved the proposal but choosing the most feasible subjects in terms of management, such as Life Sciences, Mizo and Philosophy.
- » The curricula and courses were approved at the 34th Academic Council meeting on 10 May 2018.
- » M.A. in Mizo, M.A. in Philosophy and M.Sc. in Life Sciences (managed by a composite department of Biotechnology, Botany and Zoology) started on 1 August 2018, formally inaugurated by Professor R.P. Vadhara, Pro-Vice Chancellor of Mizoram University, and with it the college became the first post-graduate college in Mizoram.
- » In November 2019, the MZU Dean's Committee unanimously approved opening of PhD programme in Life Sciences, which was approved by the 37th Academic Council on 12 December 2019.
- » The Department of Biotechnology, Government of India, launched a new scheme called DBT-Boost to University Interdisciplinary Life Science Departments for Education and Research Programme (DBT-BUILDER), having a financial assistance of ₹ 3 crore, in 2020. The Department of Life Sciences became the first in Mizoram (or India) to be awarded the scheme.
- » In 2021, Department of Applied Mathematics and Statistics and Department of Geophysics were introduced.
- » In 2023, the Department of Philosophy started PhD programme.

New PG Block

FACILITIES

Infrastructure

There are administrative building, four academic blocks for arts, one for commerce and management, three for science, sports infrastructure with training facility, seminar hall, Jubilee Hall, library, playground with open pavilion, multipurpose auditorium, basketball court, volleyball court, security office, and staff quarters.

Library

- Central library houses 63287 books and a wide range of encyclopaedia.
- Print subscription of 14 journals.
- All the library holdings are automated using SOL2.0 from INFLIBNET and RFID system.
- Online access of major publishers and their journals is available through ONOS, INFLIBNET.

Technology resources

- Free internet is provided throughout the campus.
- Internet Resource Centre is located adjoining the Seminar Hall.
- All classrooms and Seminar Hall are provided with LCD projectors and supported with power backups.
- All departmental classrooms are equipped with smart boards.

Laboratories

- All science departments, psychology and geography have separate laboratories.
- Advanced Institutional Biotech Hub is maintained by Department of Zoology.
- Research and Instrumentation Centre is maintained by Department of Life Sciences.
- Physics Research Lab is maintained by Physics Department.
- Language Lab is maintained by English Department at Block IV basement.
- Computer Lab is maintained by Mathematics Department.

- Tally Academy is managed by Commerce Department.

Transport

Routine bus services are available to students and teachers to and from the college within the city on all working days.

Hostel

There are three Boys' Hostels with total capacity of 230 students and two Girls' Hostels with total capacity of 180 students. There are two warden quarters, one each for boys and girls.

Medical Centre

Medical service is available for all employees and students. Qualified doctors and nurses are present on Wednesdays.

Mental Health Clinic

Clinical psychologist is available every Friday.

Career Guidance & Counselling Centre

Free service is available in different aspects of personal queries including career guidance.

Canteen

There are two permanent canteens and one MULCO outlet.

IGNOU

IGNOU Study centre, established in 2008, offers various courses on master's degree, certificate programme, diploma programme, and bachelor's degree.

ADMISSION TO MASTER'S DEGREE PROGRAMMES

Admission criteria

- Admission is through Common University Entrance Test (CUET) conducted by the National Testing Agency for the current year.
- For Mizo and Philosophy, applicant without CUET can appear for PUC Entrance Test (PUCET), which carries 50% weightage and the other 50% will be the final undergraduate mark.
- Counselling for final selection.
- In sciences, there will be no separate PUCET. CUET or undergraduate marks will be considered for eligibility for counselling.

PUCET

- There will be 40 multiple-choice questions with 1 essay, which carries 10 marks.
- Topics will be based on Mizoram University Under-Graduate NEP syllabus.

Eligibility

- Candidate must have bachelor's degree from university recognised by UGC and secured at least 55% of the full marks.
- For specific subject eligibility, details are mentioned in the admission notification.
- Students in final semesters awaiting their results may also apply by filling up the result as average of SGPA from 1-5 semester.
- For students awaiting the final UG result, application is restricted for those with back log of course (failed in any paper) that was not cleared during five semesters.

Application

- Admission should be applied through online portal at www.pucollege.edu.in ("Admission" menu).
- It is not necessary to upload or submit documents during application.

Application fee

- An application fee of ₹400/- for general applicants, or ₹200/- for ST/SC/OBC applicants should be paid before submitting the application.
- Fee should be deposited (by any UPI, net banking or at cash counter) to:
 - Account name : PUC-Admission Fees
 - Account number : 50100687611128
 - Bank and branch : HDFC, Aizawl
 - IFSC : HDFC0001814

Documents

- Hard copies of essential documents should be submitted immediately upon notification of selection list to the office of the respective Head of department.
- Documents required are:
 1. Two recent passport-sized photographs.
 2. Copy of final graduation grade card (and degree certificate, if available).
 3. Copy of Aadhaar card.
 4. Copy of MZU registration card.
 5. For non-MZU applicant, original migration certificate.
 6. Valid certificates for claim of reservation, if any.

Reservation of seats

- The distribution of total seats available is 50:50 for open category and ST/SC.
- 3% is reserved for physically-challenged individual. 40-60% disability may be given 5% added weightage, and above 60% may be given 7% weightage.
- For outstanding sportsperson, 10% weightage may be given for representing the country at international events, 5% for representing the state and 3% for inter-university at national level.
- For children of regular employees of Mizoram University, 7% weightage may be given. Certificate of employment should be issued from the office of the Registrar or Principal.

COURSE LAYOUT OF MASTER’S DEGREES UNDER NEP 2020

Outline

There will be flexibility in the master's programme offered by Mizoram University, viz.

- Two-year master's degree course for those who completed a three-year bachelor's degree.
- There will be an exit option after completion of one year, i.e., two consecutive semesters, as a Post-Graduate Diploma degree.
- One-year master's degree course for those who obtained a four-year bachelor's with honours/research.

Semester

- Each semester consists of 18 weeks equivalent to 90 days.
- The odd semester runs from August to December and even semester from February to July.

Assessment

- Each course shall be assessed on the scale of 100 marks.
- Courses shall be assessed through Continuous Assessment in the form of sessional work and end-semester examination.
- The sessional work shall carry 40% of the total marks in the forms of class tests, home assignments, problem-based assignments, individual or team project reports, oral presentations, etc., as determined by the course in-charge.
 - i) The first component (C1) carrying

20 marks shall be from first 50% of the course contents and the second component (C2) carrying 20 marks shall be from the remaining 50% of the course.

- ii. Departmental Moderation Board shall be formed to moderate marks of sessional works.
- iii. End-semester examination carrying 60% of the total marks shall be the third component (C3) of the assessment.
- Questions for the end-semester examination will be set by the course in-charge keeping in view that all the portions of the course are adequately covered.
- Departmental Moderation Board shall ensure that the questions for end-semester examination adequately cover the course contents.
- The department will prepare criteria for assessment of sessional works, field project/internship/apprenticeship and dissertation.

Grades

Marks obtained will be converted into grades as follows:

Marks	Letter Grade	Point
90–100	O (Outstanding)	10
85–89	A+ (Excellent)	9
80–84	A (Very Good)	8
