

**Introduction:** Pachhunga University College is the Constituent College of Mizoram University. The college was established on 15th August 1958 as '*Aijal College*' to become the first institution of higher education in Mizoram. It was founded and managed by a group of Mizo elders among which Mr. Pachhunga, a leading entrepreneur of the day, was the major benefactor, and after his demise the college was renamed *Pachhunga Memorial College*.

In 1965 the college was provincialized by the Assam Government and the college became *Pachhunga Memorial Government College (PMG)*. On April 19, 1979 the North Eastern Hill University (NEHU) adopted and upgraded it as its only constituent college to become a pace-setting institution. The college eventually received its fourth name *Pachhunga University College (PUC)*. With the establishment of Mizoram University, the entire management was handed over to the new university on July, 2001. Pachhunga University College was awarded Grade 'B' with CGPA Of 2.78 by National Assessment and Accreditation Council (NAAC).

The college is a student centric centre. Students' welfare is the number one priority inside the college. The college is also the leader among all college in terms of research activities and publications. The college also organizes seminars/workshop/conferences at various levels-International/National/state levels. The college is also selected under "Star" college scheme by the Department of Biotechnology in 2012. The college caters undergraduate courses in 21 subject areas of Arts, Science and Commerce streams. The academic programme include, apart from effective class room teaching, Internal semester test for semester system students (introduced in 2011-12 academic session) two terminal exams, periodic class tests, seminars, assignments, remedial courses, field studies etc. The college also promotes students exposure through study tours and excursion inside and outside the State.

One of the distinctive features of the college is its unique setting – a couple of kilometers down the hill away from the hub of the Aizawl Town, is the sprawling 760 acres campus. Its lush-green vegetation, the result of 30yrs of nurturing the semi-isolation of the campus, wide-open space with luxuriant natural vegetation provides an excellent atmosphere of learning. Pachhunga University College also has two hostels for boys and girls with a maximum capacity of 100 each. The college also has Internet Resource Centre with wi-fi internet for the students and teachers. The college has been successively awarded "The best college in Mizoram" by the Mizoram Research Foundation. The institution is marching towards the national level from this north-eastern corner of the country.

**Internal Quality Assurance Cell(IQAC):** IQAC was set up in 2009. The current members of IQAC are:

Chairman : Dr Tawnenga, Principal  
Coordinator : Mr.Vanramliana, Asst. Prof. Dept. of Zoology  
Asst. Coordinator : Mr.Henry Lalmawizuala, Asst. Prof. Dept. of English

**Members:**

1. Dr. D.K. Barkakati, Associate Professor. Dept of Physics
2. Dr. Lalzama, Associate Professor. Dept. of Mizo
3. Dr. M.Z. Khiangte, Asst. Professor. Dept. of Economics
4. Dr. Rahul Verma, Asst. Professor. Dept. of Geology
5. Mr. Zochungnunga, Jt. Director, H&T Education, Govt of Mizoram (Local Society Representative)
6. Mr Rualkhuma Hmar, Advocate, College Veng (Local Society Representative)

## Annual Quality Assurance Report (AQAR) of the IQAC

**Name of the Institution:** PACHHUNGA UNIVERSITY COLLEGE, Aizawl Mizoram.

**Year of Report:** 2011-12

**Section A:** Plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement (attach separate sheet if required).

- a) Improve and renovate existing infrastructure.
- b) Impart IT and Computer knowledge to non-teaching staff and teaching staff.
- c) Encourage teachers to take up research activities.
- d) Organize more number of quality seminars.
- e) Pursue academic excellence in various branches.

**Section B:** Details in respect of the following.

**1. Activities reflecting the goals and objectives of the institution:** Annexure-1

**2. New academic programmes initiated (UG and PG)**

Environmental Science (UG) & Biotechnology (UG) is approved by MZU.

**3. Innovations in curricular design and transaction:**

Transition of yearly to semester system was done in the academic session 2011-12. Admission for 1<sup>st</sup> semester BA/BCom/BSc was done as per Mizoram University norms with reference to the UGC norms of prescribed Students Teacher ratio. Each Departmental head/senior teachers are involved in syllabus framing committee (Board of studies and School Board).

**4. Inter-disciplinary programmes started:** Certificate Course in Introduction to Humanities, Coordinator – Henry Lalmawizuala, Assistant Professor, and Dept. Of English and Assistant Coordinator – V. Lalmalsawmi, Assistant Professor, Dept. Of English.

**5. Examination reforms implemented:** The college administration constitute an Examination Committee comprising of teaching and nonteaching staff of the college to provide and facilitate Internal as well as University Examinations. Activities of the Exam Committee are:

A. **Improvement in the conduct of examination:** All examination was conducted smoothly and successfully without any major flaws. Preparation started two weeks before the examination. Various in charges were assigned to look after various responsibilities. Room Arrangement in-charge, Duty Allotment in charge, Sitting Arrangement etc. Instructions were thoroughly given to all the invigilators as to what is to be done and not to be done. All the invigilators were instructed to reach and report themselves to the examination committee 20 minutes before time. Improvements have been made in conducting the examination itself, which is worth mentioning. Tables were given numbers and each and each student was allotted

their table number accordingly, a candidate is permitted to sit only in his allotted table. Sitting Arrangement was changed in every examination shift. The Controller of Examination, Mizoram University Prof. R.L. Thanmawia visited the college during the University examination and he praised our practices and said, ***“You are the role model for every other college; let other colleges in Mizoram also copy what is being practiced here”***. Allotting a table number to a candidate requires a long and tedious work and it involves extra hours and heavy work load. However, hard work pays in the process of running the examination smoothly. The examination system was perfect in every sense; all the students and teachers praised the mode of examination followed.

**B. Steps taken for quality enhancement:** Various steps are taken to enhance the quality of the examination process, they are:

- i. The exam committee arranged training for teachers on how to conduct examination with a power point lecture.
- ii. Sitting Arrangement and table allotment are printed out in a book form, a copy of which is sent to the Examination Committee, Mizoram University. The book is very useful for the smooth conduct of examinations; it is a ready reference in times of confusion.
- iii. Teacher’s duty list and non-teaching staff room duty with their phone number is given in the tag attached to the answer books. In case of need arises, the teacher’s duty may contact the room duty immediately.
- iv. Examination Committee members stay alert and were always available to vigil over the grievances and discrepancies.
- v. For late Invigilators due to unavoidable circumstances proxy duty for the time being is usually assigned from the examination committee members or any other available teachers.
- vi. Late invigilators are immediately informed by the principal; he may informally or formally enquire about the causes for not carrying out the duties.

**6. Candidates qualified: NET/SLET/GATE etc.:** NET/SLET: N/A (only UG Course conducted).  
GATE: Nil

**7. Initiative towards faculty development programme:**

The Principal encourages teachers to apply for PhD studies. There are 37 teachers with PhD degree, 9 teachers with M Phil Degree and there are 27 teachers pursuing Doctoral studies. List of teachers pursuing PhD studies are as follows.

8. Total number of seminars/workshops conducted: 11(Eleven)

**International: 1-** International Workshop on "Priorities and Challenges to historical research in Mizoram" was held in Seminar Hall, Life Science Building conducted by Department of History on 8th Nov 2011.

**National: 4**

- i. UGC Sponsored National Seminar On "Emerging Trends in Biosciences and Future Prospects" (29th - 30th November, 2011) Organized by: Department of Zoology, Pachhunga University College, Aizawl In collaboration with Department of Zoology, Mizoram University, Aizawl

- ii. A National Conference on Mathematical Sciences (24th – 25th November 2011) Organized by: Department of Mathematics, Pachhunga University College, Mizoram University In collaboration with Mizoram Mathematics Society (MMS) Sponsored By University Grant Commission (NERO).
- iii. UGC sponsored National Seminar - cum - Workshop on "Suicide: Causes & Prevention" (6th, 7th & 8th December, 2011) Organized by: Department of Psychology, Pachhunga University College, Aizawl In collaboration with Department of Psychology, Mizoram University, Aizawl.
- iv. Workshop on Statistical Methods with Applications at Department of Statistics, Pachhunga University College, (A Constituent College of Mizoram University), Aizawl during November 21-23, 2011 organized Pachhunga University College & Indian Statistical Institute, Kolkata.

#### **State Level- 4**

- i. One day seminar on Physical environment and human intervention- A case study of Aizawl city. Organized by Department of Geography on 2nd July 2011 at Students Recreation hall, Pachhunga University College.
- ii. One day seminar on India's look east policy: Implication for north east India with special reference to Mizoram, Organized by Department of Political Science in collaboration with Public Diplomacy Division of the Ministry of External Affairs, Government of India, New Delhi. The seminar was organized at Seminar Hall, Life Science Building, Pachhunga University College.
- iii. Workshop On "Application of Remote Sensing, GIS and GPS In Geography and Allied Sciences"(20 - 22 February, 2012). Organized by department of Geography in Collaboration with Mizoram State Remote Sensing Agency & Geography Association of Mizoram at Seminar Hall, Life Science Building, Pachhunga University College.
- iv. One day State Level symposium on recent trends and developments of radiation & its application was organized on 5th October, 2011. This seminar is organized by Department of Physics Pachhunga University College in collaboration with Cancer Research Institute Zemabawk, Aizawl Mizoram.
- v. One day State level seminar on IT Security Awareness was held on 5<sup>th</sup> May 2011 in collaboration with National Institute of Electronics and Information Technology (formerly DOEACC) Zuangtui, Aizawl.

#### **College level-2**

- i. Science Education Campaign (in commemoration of International Year of Chemistry 2011) was held today at Pachhunga University College Auditorium on 30<sup>th</sup> September 2011 in collaboration with Mizo Post Graduate Science Society, Aizawl Mizoram.
- ii. Ecological Conservation awareness campaign was held on 5<sup>th</sup> March 2012 at the college forest. This campaign was done in collaboration with Environment and Forest Department, Government of Mizoram.

- C. **Academic Committee:** Academic Committee consists of the Principal, Vice Principal and all head of departments. The academic committee is responsible for various academic concerns like Academic calendars, Moderation, syllabus, class timing, routines etc.
- D. **Examination Committee:** Activities
- i) **Improvement in the conduct of examination:** All examination was conducted smoothly and successfully without any major flaws. Preparation started two weeks before the examination. Various in charges were assigned to look after various responsibilities. Room Arrangement in-charge, Duty Allotment in charge, Sitting Arrangement etc. Instructions were thoroughly given to all the invigilators as to what is to be done and not to be done. All the invigilators were instructed to reach and report themselves to the examination committee 20 minutes before time. Improvements have been made in conducting the examination itself, which is worth mentioning. Tables were given numbers and each and each student was allotted their table number accordingly, a candidate is permitted to sit only in his allotted table. Sitting Arrangement was changed in every examination shift. The Controller of Examination, Mizoram University Prof. R.L. Thanmawia visited the college during the University examination and he praised our practices and said, ***“You are the role model for every other college; let other colleges in Mizoram also copy what is being practiced here”***. Allotting a table number to a candidate requires a long and tedious work and it involves extra hours and heavy work load. However, hard work pays in the process of running the examination smoothly. The examination system was perfect in every sense; all the students and teachers praised the mode of examination followed.
  - ii) **Steps taken for quality enhancement:** Various steps are taken to enhance the quality of the examination process, they are:
    - (1) The exam committee arranged training for teachers on how to conduct examination with a power point lecture.
    - (2) Sitting Arrangement and table allotment are printed out in a book form, a copy of which is sent to the Examination Committee, Mizoram University. The book is very useful for the smooth conduct of examinations; it is a ready reference in times of confusion.

- (3) Teacher's duty list and non-teaching staff room duty with their phone number is given in the tag attached to the answer books. In case of need arises, the teacher's duty may contact the room duty immediately.
- (4) Examination Committee members stay alert and were always available to vigil over the grievances and discrepancies.
- (5) For late Invigilators due to unavoidable circumstances proxy duty for the time being is usually assigned from the examination committee members or any other available teachers.
- (6) Late invigilators are immediately informed by the principal; he may informally or formally enquire about the causes for not carrying out the duties.

- b. **Cultural Day:** Pachhunga University College Cultural Day was organized on Wednesday (14.12.11) today, with a beautiful blending of various ceremonial and official items, was held at the College campus Basketball Court. On this beautiful December day there is an exhibition of Mizo Material Culture sponsored by Mizoram State Museum and an exhibition cum sale of various Mizo products and cultural items by Hnam Chhantu. The function, organised by the college itself, began at 11:00 am with nepali dance, which was followed by the declaration of one of the most coveted titles for the students, i.e., Student of the Year 2011. Muss Bethel Lalrinfeli III BA (Eng) was chosen

as the Student of the Year 2011 by her fellow students. Blood Donor Award 2011 was also given away by the Chief Guest Mr. P.C. Zoram Sangliana, Art & Culture Minister to the Department of Economics, Department of Public Administration and Department of Political Science.

As most of the students as well as teachers wore traditional attire of different types, members of the Alumni Association were entrusted to select the Best Dressed male and female students as well as teachers. Among the teachers Mr. Chhawnvunga (Head, dept. of English) and Mrs. Vanlalauvi Chawngthu (Head, dept. of Mizo) were chosen as The Best Dressed man and woman respectively.

Coinciding with the Cultural Day is presentation of a prestigious award, named **Pachhunga University College LAISUIH Award**. The first PUC Laisuih Award was given to Mr. V. Thangzama in appreciation of his patriotic compositions. The event became more unique because of lunch items. Some traditional Mizo food items, including boiled sweet potatoes, **bal** and Mizo rice with red tea and kurtai were served for lunch.

- c. **Ecological Conservation Seminar:** Pachhunga University College and the Department of Environment and Forest, Government of Mizoram organizes Ecological conservation awareness programme at PUC campus.

The programme was blessed by Mr. H Rohluna, Minister Environment & Forest GOM as Guest of Honor and Mr. Zodintluanga, Minister Sports and youth services, GOM and Special Guest. The programme was chaired by Dr Tawnenga, Principal PUC. Key note address was given by Dr H Lalruatsanga, Assistant Professor Department of Botany.

- d. **Community feast:** PUC: Pachhunga University College organizes a day of Community feast on 9th March 2012. This community feast aims at better relationship between teaching, non-teaching, security and other staff working at the college.

g. **Network Consultation of Government Aizawl College:** Pachhunga University College on request by the Principal Government Aizawl College conducts evaluation and execution of campus networking at Government Aizawl College in the month of August 2012.

h. **Certificate Course In humanities**

i. **Genesis:** The different schools of Humanities are deeply inter-related and thoroughly intertwined, and for a student to achieve a Bachelor's degree in any one of them, a student needs to have the basic knowledge of these different schools. The syllabus prescribed by the University does not cover most basic fundamental concepts, theories and teachings of these various schools. Therefore, students are not fully equipped to perceive higher thinking or achieve deeper knowledge among these various schools.

The initiative was taken by Mr. Henry Lalmawizuala and Ms. Lalbiaksangi Chawngthu who came up with the idea of conducting this course to help students to know more about the different schools of humanities, to realize how they are all inter-related and inter-connected so that they may be able to better grasp whatever information they receive within and outside of their regular syllabus. Besides, students would also gain insights into information currently unavailable to them due to limited sources and resources. Thus, the course was designed to be a baseline for students to adapt and immerse themselves into the various aspects of humanities.

ii. **Aims and Objectives :**

- a) To make the students generally aware of the different basic concepts of the various schools of humanities.
- b) To help students broaden their horizon over the concept of the inter-relatedness of these various schools of humanities.
- c) To help students make connections and cross-references with other branches of humanities to further their studies.
- d) To make students more confident in their approaches towards their respective subjects.
- e) To increase students' love and interest for the subject.
- f) To instill desires and passions of their respective departments into the minds of students for further future prospects.

iii. **Outcome:** The classes were conducted every Saturday starting from the 29<sup>th</sup> of October, 2011, and lasted seven (7) Saturdays. 32 classes were taken within these seven days.

iv. **Enrollment:** The total number of students who registered for the course was 45. However, the actual number of students who finished the course was 26 – students who failed to attend at least 4 out of the seven days were not considered as having 'finished the course'.

**Annexure-II: Outcomes achieved by the end of the year**

1. **Better Administration and financial management:** The Principal of the college have taken measures to increase the output of Non-teaching staff. Some of the best practices are
  - a. Better work distribution.
  - b. Increase in non teaching staff meeting.
  - c. Better invigilation methods.
  - d. Financial assessment with the concern officers.
  - e. Duty allocation to each staff members and their responsibilities.
2. **Good Academic performance:** The college result has been improving in the last semester. Of all the major colleges in the state of Mizoram Pachhunga University college have one of the highest pass percentage and largest number of students passed in their 1<sup>st</sup> semester examination.

4. **Increase in the number of seminars:** The college have organize 3 seminars (1 National and 2 state) in 2010-11 which have increased to 14 (1 international, 4 national, 3 state and 6 college levels)
5. **Increase in Research activities:** There are 11 research projects (3 completed and 8 ongoing) in 2010-11 which have increased to 21 (6 Completed and 21 ongoing). It is also worthy to mention that there is one PhD students in Department of Zoology under the guidance of Dr Lalramliana. There are 3 teachers getting their doctoral degree and 26 teachers currently pursuing their doctoral studies.

6. **Better record keeping system:** IQAC have introduced a report system creating E-Mail for each department through website committee. A new format called DMR (Departmental Monthly Report) and Seminar/workshop report system have been introduced for better report management. Numbers of Class taken by each department, faculty and Guest teacher are recorded and analyzed. Good practices of each department are recorded and presented to other departments to look into each report for future improvements.
7. **Increased in ICT based learning:** Every department in the College has been assigned a departmental website for ICT based learning. Laptop and projector have been distributed to every department with funds from UGC additional assistance for ICT based learning. Faculties interact with students through social networking like the popular facebook. Senior teachers are also trained for ICT based teaching. In this training teachers are trained to use the internet, search materials from internet, using e-book, power point presentation etc.
8. **Increase in admission:** There are total of 1340 students in 2010-11 session and 1777 students in 2011-12 session. There is an increase in 437 students in this session. It is also worthy to mention that out of 1797 applicants only 638 students can be accommodated in the college. There is a total of 142 (61 arts, 79 Science and 2 commerce) students who drop out of college. The high number in dropout may be because of students joining technical courses after taking admission. The other reason is the strict attendance rule of compulsory 75% attendance as per Mizoram University Norms.
9. **Better examination system:** Due to the various reforms taken up by the examination committee, there is a better, fairer and systematic system of examination.
10. **Functional committee:** The College forms various committees to look and carry upon certain responsibility in better quality developments. The IQAC have choked out various activities to be performed by these committees. 90% of different committees can submit their full report on various activities as per IQAC suggestions.
