MyBharat Portal Outreach Programme was successfully conducted at Akashvani Aizawl with the aim of raising awareness about the portal's features and benefits among the local population. The programme included a special radio broadcast featuring a detailed introduction to the myBharat portal and a demonstration of its services. Local success stories were also shared to highlight the portal's impact, and listeners were guided on how to register and access various government schemes and services online. The outreach was well-promoted through radio announcements and community engagement, resulting in strong participation and positive feedback from listeners across Mizoram. The NSS PUC Unit, Aizawl, Mizoram in collaboration with Eco Club & NCC, PUC, observed the
