

Focus Group Discussion on Drugs and Sex 2025

29.07.2025

NSS Pachhunga University College participated in the Focus Group Discussion on Drugs and Sex Among College Students, organised by the Mizoram State AIDS Control Society on 29th April 2025. The event was organised by the Mizoram State AIDS Control Society as part of their ongoing initiative to raise awareness and foster open dialogue around issues of drug abuse and unsafe sexual practices among the youth.

Three students represented the college-

1. Grace Lalrinpari Hauzel - V Semester, Department of History
2. PC Lalringzuala - V Semester, Department of Philosophy
3. R. Lalhmangaihsanga - V Semester, Department of Economics

Our student volunteers actively participated in the sessions, contributing insightful perspectives and constructive suggestions aimed at strengthening youth-oriented awareness and prevention programmes. Their involvement not only reflects their concern for student well-being but also upholds the college's commitment to social responsibility and public health advocacy.
