

Observation of International Mother Earth Day 2025

22.04.2025

The NSS PUC Unit, Aizawl, Mizoram in collaboration with Eco Club & NCC, PUC, observed the **International Mother Earth Day-2025** on the theme **Earth Action Day** at PUC and its nearby vicinity on the 22nd of April, 2025 from 10:00 AM to 2:00 PM. The event was spearheaded by the Department of Environmental Science, Pachhunga University College. Around 60 NSS volunteers and 2 Program Officers participated along with participants from Eco Club and the NCC. The observation of Earth Action Day event comprised of educating, advocating, mobilizing and pledge-taking through different activities including rallying with Earth Day Message Posters, Earth Day Pledge Reading, cleanliness activities, etc. The rally and activities were held in three locations viz. PUC campus, College Veng field and Bethlehem Vengthlang (BVT) main taxi stand. School students from College Veng and BVT areas numbering around 300 also joined and participated in the activities at the respective localities. The program was covered by media bodies such as DDK, Zonet and AIR.
