

## **DEPARTMENT OF ENGLISH: PACHHUNGA UNIVERSITY COLLEGE**

### **Departmental Visit to the College Adopted Village, Lungleng:**

The Department visited Lungleng Village on 14<sup>th</sup> October, 2016 with the Vth Semester Students. The purpose of this Visit was to collect the legends and lores of the local people. The Faculty and students divided themselves into 4 groups, each of whom met separately with a village elder to talk and record their version of the Village's history, its lore and legends. Another group visited the local School to interact with the teachers and students. After a short visit to the preserved residence of the last Chief of the Village, the Department returned home.

Latitude 23.6639° N, Longitude 92.6642° E

The students were given a rare opportunity to interact with the locals of Lungleng and get a chance to record oral literature. The division of the students into different groups ensured that maximum activities were covered in a very limited time period. The students were able to learn more about the history of Lungleng and understand the rich culture of their ancestors in one part of Mizoram. The visit to the local school gave an opportunity to the students to interact with the teachers and young minds of the village; this would surely have had an impact on their views on the educational system of the state.
