THREE DAYS NATIONAL WORKSHOP ON SENSOR NETWORKS, INTERNET OF THINGS AND INTERNET OF EVERYTHING

Three Days National Workshop on Sensor Networks, Internet of Things and Internet of Everything was organized during 11th to 13th September, 2019 at Seminar Hall, Pachhunga university College, Aizawl, Mizoram. The inauguration function was organized in 11th September, 2019 at Seminar Hall, Pachhunga University College, Shri L. Thangmawia (Member of Mizoram Legislative Assembly) was a Chief guest and inaugurated this function. Dr Tawnenga, Principal, Pachhunga University College was also grace this function. Dr. Kota Solomon Raju, B.E., M.E.(BITS), Ph.D.(IIT) Sr. Principal Scientist & Project Leader, Professor, Academy of Scientific and Innovative Research (AcSIR), New Delhi Room No: E- 107, Reconfigurable Computing Systems Lab, & Wireless Sensor Network Systems Lab Digital Systems Group, Dr V Anil Kumar, Senior Principal Scientist at CSIR Fourth Paradigm Institute, Bangalore, India. His research interests are Cyber Security, High Performance Computing and Internet Protocol Engineering, Dr Arvind Pandey, Associate Professor and Head, Department of Statistics, Central University of Rajasthan, Dr Krishna Kumar Mohbey, Assistant Professor, Department of Computer Science, Central University of Rajasthan and Dr Deeksha Tripathi, Assistant Professor, Department of Microbiology, Central University of Rajasthan, India were invited as subject experts/ resource persons. There were five technical sessions with thirteen talked on different topics. They have given lecture on observing Cyberspace through Darknet technology. These will focus on some of the recent security concerns and large-scale cyber attacks launched by exploiting IoT /sensor devices and how we could watch the cyberspace to gather intelligence on such attacks. IoT Systems and Protocols and Biosensors. There were 62 applicants in this workshop with 100 percent Schedule Tribe.
