

DEPARTMENT OF CHEMISTRY, PACHHUNGA UNIVERSITY COLLEGE
DEPARTMENTAL ACTIVITY REPORT, 2016

Collection of ethno-medicinal plants from the adopted Village (Lungleng Village, Mizoram)

The 6th semester students along with the teachers namely, Dr. Thanhmingliana, Dr. C. Lalhriatpuia, Dr. K. Vanlaldinpuia, Miss Mary Laldinmawii and two Lab Assistant Mr. C. Thansanga and Mr. Ramdinthara visited the adopted village (Lungleng village) on 27th February, 2016 with the funding from DBT Star College Scheme. With the guidance of the Village council members and YMA Lungleng branch committee members, ethno-medicinal plants were collected from the nearby forests and YMA Park for extraction of essential oils and phytochemical screening. The laboratory works were continued as students' project at the Chemistry department, PUC.
