

DEPARTMENT OF EDUCATION PACHHUNGA UNIVERSITY COLLEGE

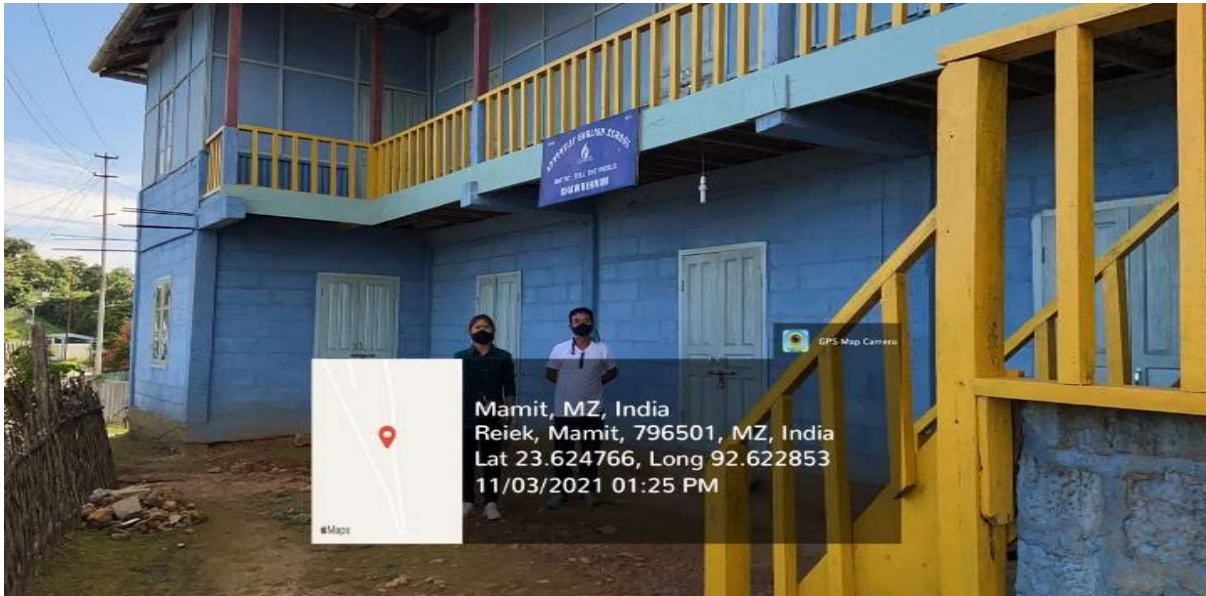

EDUCATIONAL PROBLEMS AND PROSPECTS OF KHAWRIHNIM VILLAGE

The Department conducted a Research Project titled Educational Problems and Prospects of Khawrihnim village on 3.11.2021. All the faculty members visited the educational institutions in Khawrihnim village, namely Govt. Khawrihnim Primary School, Govt. Khawrihnim Middle School, Govt. Khawrihnim High School and Adventist English School.

Data regarding the school, teachers, students, problems, prospects, etc were collected from the teachers in the form of questionnaire and interview. These data will be analysed and made into a report for publication.

All the faculty members visited the schools while the Head of Department had a discussion with the community leaders consisting of YMA, MHIP and MUP on the problems and prospects faced by the community.
