

PTA Meetings

The physics department conducted PTA meeting on 5th October 2016 and 7th October 2016 with parents of 1st semester and 3rd semester respectively. The meeting was attended by all faculties along with the parents. The faculty members highlighted the different measures undertaken by the department for the benefit of the students. The parents present on the occasion expressed their satisfaction on the steps taken by the department for the benefit of students and thanked the faculty members for the same. The parents suggested for conduct of more such interactions in future.
