

## DEPARTMENTAL INDUSTRIAL VISIT

Date	-	16 – 17.12.2020
Place Visit	-	Serlui B Hydroelectric Power Plant
Tour Teacher i/c	-	Dr. Lalhriatzuala

As a part of Student's learning enhancement process under the Star College Scheme, the department took up educational tour to visit one of the largest Hydroelectric Power Plant in Mizoram located at Serlui B. The Power Plant is located at the northern corner of Mizoram, at a distance of about 117 km from Aizawl. The tour was attended by 19 students of 5<sup>th</sup> semester. The tour program was guided by Dr. Lalhriatzuala, Star College Scheme Departmental Coordinator. Principal was kind enough to provide the College bus to and fro journey along with two staff – driver and handyman. The tour team in total consisted of 22 persons.

Visit to Serlui B Hydroelectric Power Plant

**Venue: Serlui B Hydro power plant. Lat:24°20'18" N, Long:92°46'48" E, Time: 6:00 pm**

The team started their journey from college at 9:00 AM on 16<sup>th</sup> December 2019 and reached Serlui B in the evening at around 4:00 PM. The officers and staff at the hydroelectric power plant received the tour party and provided a supervised tour of the Serlui B Power House. The staff deputed for the team, illustrated the function of various sections of the Power House. The visit enabled students to understand how the fundamental concepts in physics are implemented for generation of hydroelectric power. The team stayed for the night at Tourists Lodge located near the Power House. After the river tour of the Serlui river on the morning of 17<sup>th</sup> December, the team headed back to Aizawl and reached Aizawl in the evening at around 6:00 PM.
