

Orientation program for 3rd and 5th semester students

The Physics department conducted Orientation programs for 3rd and 5th semester students on 2nd July, 2019 as per the advice of the principal. Dr. Shivraj Gurung, Head of the department addressed the students on the occasion. He informed the students about the recent changes made by the University in the internal marking and necessary Do's and Don'ts expected from the students. The students were also informed about the newly admitted 1st semester students and were advised to guide the newcomers so as to help them get acclimatized to the college life. The students were informed about the College principle of No tolerance towards ragging and informed never to participate in such activities.
