

## National Level Workshop on Quantum Science & Technology

The department organised a National Level three-day Workshop on Quantum Science & Technology in 29-31 July 2019. The main aim of the workshop was to generate enthusiasm among the students by providing them the basic flair of the recent advances in quantum computing. The participants included apart from final year students of Physics and Maths departments of Pachhunga University College, Research scholars from neighbouring institutes like NIT Aizawl and MZU. Faculty members from neighbouring colleges like Govt. Zirtiri Residential Science College also attended the program and listened to the wonderful works presently being carried out in QST.
