

Teacher's Day Celebration 2018

Following the age-old tradition, the students of the physics department organized a special function to honour the teachers on the occasion of Teacher's day on 5th September 2018. The function was attended by all teachers along with laboratory staff and the students of the department. Each teacher was handed a memento by the students as a mark of their respect and appreciation. On this occasion, the students performed various acts and entertained the teachers with special numbers and other special items. The occasion was further enlivened by Dr. Y Rangeela Devi, who presented a Manipuri dance performance. It was a wonderful occasion for the teachers who were thoroughly entertained and appreciated the efforts of the students in making the occasion memorable.
