

Students Briefing

The department conducted briefing for First semester students on 1st July, 2019. On this occasion, Dr. Shivraj Gurung, HOD welcomed the newly admitted students and congratulated them on their selection to the department. He introduced the faculty members and the students were also asked to introduce themselves.

Dr. Lalhriatzuala, Asst. Professor, delivered a power point presentation, in which he gave valuable information about the college rules and regulations apart from their curriculum. The students were informed about the importance of attendance under the semester system along with the question pattern and the Continuous evaluation process followed in the college. The students were also informed about their duties and responsibilities in SU and other college activities. Student's Profile form seeking basic information such as student's family background, their economic status, their educational background, etc was distributed and filled in form collected subsequently from the students. The profile of students in every batch is maintained by the department and utilized from time to time in conducting Tutor Ward System and other student related activities.
