

**A Brief Report on Career Guidance Programme Organised by
Department of Biotechnology, Pachhunga University College
(A constituent college of Mizoram University)**

Among many valuable roles served by Alumni, their role as positive inspiration for present students is of high value. A career guidance programme was organised on 14th February 2017 at Department of Biotechnology. For the event, the department Alumni were invited to share their academic journey. The alumni students invited were:

Cindy

She was a student of Department of Biotechnology, 2012-2015 Batch. She is the topper in B.Sc Biotechnology under Mizoram University in 2015 with a score of 90.8%. She joined the Department of Biotechnology, St.Xaviers College, Mumbai

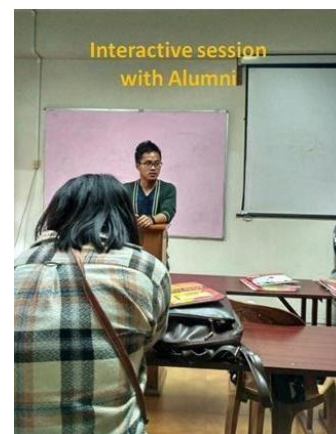

ma

of Department of Biotechnology, 2013-2016 Batch. He ranked 5th in B.Sc Mizoram University in 2016 with a score of 80.4%. He cracked the NEHU entrance and joined the Department of Biotechnology, NEHU, Shillong.

Benjamin Lalrohlua

He was a student of Department of Biotechnology, 2013-2016 Batch. He ranked 4th in B.Sc Biotechnology under Mizoram University in 2016 with a score of 82.25%. He cracked the NEHU entrance exam for PG course and joined the Department of Biotechnology, NEHU, Shillong.

All the semester students had a fruitful interaction with the invited speakers. They shared their obstacles faced and their experiences in different entrance examination patterns. They spoke on the competitive environment in universities and mentored and inspired the current students on opportunities after B.Sc Biotechnology.
