

Report on Diamond Jubilee Invited Lecture on District Administration in India
Speaker: Dr. A. Muthamma IAS, Deputy Commissioner, Aizawl District
Venue: Jubilee Hall, Pachhunga University College
Date: 20.04.2018, Friday

The Department of Public Administration organised a **Diamond Jubilee Invited Lecture on District Administration in India** on 20th April 2018, Friday at 2:30 p.m. at the Jubilee Hall. The speaker for the lecture was **Dr. A. Muthamma IAS, Deputy Commissioner, Aizawl District.**

The programme started with a welcome address by Dr. David Zothansanga, Head, Department of Public Administration and a brief introduction of our speaker was given by Dr. T. Sadashivam. The lecture was for the students of the Department of Public Administration in order to have a comprehensive study of the discipline particularly the VI Semester students. The VI Semester students of the Department of Political Science were also invited to attend the lecture.

Attendees

As many as 114 had attended the lecture with all the faculty of the Department of Public Administration being present and Miss Lal Lawmzuali, Assistant Professor from the Department of Political Science.

Dr. A. Muthamma's lecture on '*District Administration in India*' was insightful citing examples from real life experiences faced by her which had the participants engaged in her lecture. Her style of expression had held the interests of the participants who were in much appreciation of the lecture. She had ended her lecture at 3:45 p.m. 15 minutes were allotted for discussion. A lot of questions were raised by the students and clarifications were made by the speaker. However all could not be addressed due to time constraints on the part of the speaker.

Vote of Thanks

A vote of thanks was proposed by H.C. Lalchhuanawma, Assistant Professor, Department of Public Administration. A token of appreciation was also presented to the speaker.

Future prospects

The special invited lecture was successful and the Department look forward to organising such programmes in future.
