

**DEPARTMENT OF MATHEMATICS
PACHHUNGA UNIVERSITY COLLEGE**

**Workshop on Technology Based Learning Mathematics Amongst UG
students.**

The Department organized Technology Based Learning Mathematics Amongst Under Graduate Students of Mizoram on 15th -19th February, 2016. In the current Syllabus of UG, technology based learning system is not included. There are 65 Participants in the workshop from different College of Mizoram. The main aim of the workshop is to study whether there is a positive attitude and positive effect on teaching and learning of mathematics through technology amongst students. The effort made by the department may be introduced in their syllabus.
