

**PACHHUNGA UNIVERSITY COLLEGE  
DEPARTMENT OF ZOOLOGY  
CLEANLINESS DRIVE  
EVEN SEMESTER 2020**

The co-curricular activity periods, which were mostly on Friday of every week, were utilized many times to clean the department and its surrounding. For this, the CCA in-charge of the department and other available teachers divided the students into several groups and distribute certain areas of the departments to these groups. The department were swept, mopped, wiped, etc. by the students. The rooms cleaned in such activities include the general laboratory, core laboratory, Zoological museum, hallway, toilets, faculty room, staff room, and the immediate vicinity of the department. During January to July of 2020, the following days were used for this particular activity.
