

PACHHUNGA UNIVERSITY COLLEGE
DEPARTMENT OF BOTANY

Brief Report of Invited Lecture on “Recent Trends in Biotechnology”

On 3rd April, 2016 the Department of Botany, Pachhunga University College organised and Invited Lecture on “**Recent Trends in Biotechnology**”. Resource Person was Dr. P.C. Lalrinfela, Department of Biotechnology, Pachhunga University College. The Lecture was targeted for the VIth Semester students. All the students (30 nos.) could attend the Programme. Biotechnology itself is a part of the Under-Graduate curriculum (Paper XII: BOT/VI/CC/23). The students, therefore, greatly benefitted from this Lecture and could have an open and resourceful interaction with the Resource Person.

Lecture by Dr. P.C. Lalrinfela

(Dr. H.S. THAPA)
Head, Dept. of Botany
Pachhunga University College
